## Updates:

- As our weekly communications wind down for the 2020/21 year, keep an eye out for emails from each school. They will convey details such as bell schedules and site activities.
- There will be no progress updates on COVID related issues for the 2021 fall term until the California Department of Public Health issues new guidance sometime prior to the fall opening.
- Voluntary testing for district athletes will conclude at the end of May. There is no intention to continue testing through the summer. There is no guidance related to testing of athletes for the fall 2021 sports season.
- Our district COVID Dashboard will continue to be updated through the end of the school year to inform the community of the weekly COVID data in our schools.

## High school activities:

- CDPH has released graduation [guidelines](#) that our school sites are using to develop ceremonies in communication with senior students and families.

## Reflections:

- May is Mental Health Awareness Month. Each school site will offer a variety of events and activities to raise awareness about mental health and provide resources, both virtually and in person. Read more in the RJUHSD Wellness Center newsletter [here](#).
- Our Wellness Centers are still fully functioning at each school site so please reach out if you are in need of support services.

## Celebrating wins:

- Roseville Adult School (RAS) is celebrating 100 years in education with a celebration June 9! If you or someone you know is a RAS graduate and would like to share photos or a story, please submit details to [Bhuber@rjuhsd.us](mailto:Bhuber@rjuhsd.us).
