What we worked on last week:

- We surveyed families to gauge interest in program choice planning for our January 5 reopening plan. We heard back from about 80% of the district - 8,274 to be exact. Approximately 85% of the respondents indicated a desire to attend on-campus instruction.

What's next:

- Families will receive a detailed program description of January class offerings by November 2. We've posted a Frequently Asked Questions regarding the RSVL Academy that can be found [here](#).

Challenges ahead:

- We are working to recreate master schedules at each school to accommodate online and on-campus learning.

Health updates:

- Confirmed COVID-19 cases at each school site are addressed using Placer County Health Office protocol and guidance. Information can be found [here](#).
- Please continue to do your part to socially distance so we can reduce our risks!

Campus news:

- It's that time of year when our District works to secure scholarships from our community! If someone you know you may be able to help, please see the link [here](#)!
